

## **GROUP ENVIRONMENTAL POLICY**

IHS Towers (being IHS Holding Limited and its subsidiaries) recognizes the importance of environmental protection and is committed to operating its business responsibly and in fulfilment of its compliance obligations related to the design, construction and operation of telecommunications infrastructure.

We are committed to reducing our fuel consumption, energy use and greenhouse gas emissions, as well as reducing waste and e-waste, and minimizing any negative impacts our operations may have on the environment.

We shall achieve this by:

- Complying with all applicable regulatory requirements and ISO 14001: 2015.
- Providing adequate training and resources to implement this Policy.
- improving our energy efficiency and reducing our greenhouse gas emissions.
- Preventing pollution.
- Protecting biodiversity and ecosystems.
- Minimizing waste and increasing material recovery for re-use and recycling.
- Safely disposing of any substances that may cause harm to the environment.
- Ensuring that the environment is considered when sourcing goods and services.
- Establishing annual KPI's and Committing to continual improvement.

This Policy applies to all IHS employees and property. It is communicated to all employees and made available to other interested parties.
